

FC Sarasota

FC Sarasota is a 501c (3) non-profit organization (Tax ID#65-0017373) that serves the soccer players and families in the greater Sarasota community. One of the goals for FC Sarasota is to allow every child to experience the sport of soccer in a positive, supportive environment, and at the level of play they can succeed in.

FC Sarasota TOPSoccer is a volunteer-run program provided by FC Sarasota that gives young athletes with special needs the opportunity to play a team sport.

FC Sarasota TOPSoccer is FREE. There are no salaries and all people involved with TOPSoccer are volunteers. The only source of operational revenue is through fundraising and sponsorships.

In order for us to run this program, we must explore and foster relationships with funding sources such as corporate or private sponsorships, grants and foundations, which in turn allows us to be as inclusive as possible in our objectives to reach our community youth, regardless of socio-economic condition. Our mission can only succeed through the generous support of corporations, foundations and individuals. We offer many options for you to support our program through sponsorships and business and personal advertising in our club program. Please consider providing FC Sarasota with a tax deductible financial sponsorship this year. Your support is very much appreciated and we thank you in advance for your consideration.

Any questions about sponsorship can be sent to Donna Forway at dforway@fcsarasota.com

Sponsors logo must be provided in png or jpeg format.

Every email sent to our 1000+ members includes links to our website and Sponsorship page.
