

# Sean Thomas Leonard

## Competitive Soccer Scholarship

**Sean was part of the SUSL, Sarasota Storm and FC Sarasota (Competitive) since age 5 (almost 14 years). He loved the game so much he also refereed on weekends. He was always smiling and happy and always made sure that everyone that came in contact with him was too. Sean was a true friend to all that knew him, and he would do anything to help anytime because he genuinely cared about people. He was a beautiful person inside and out.**

**The winning applicant will be the best qualified to carry on the spirit and love Sean had for soccer. Sean was a star whose light was dimmed too soon. His glow not only lit up the field but brightened the lives of all that knew him. Sean was taken from us in a horrific car accident that also took the lives of his sister and two other friends.**

**Sean was a selfless friend and lived to make his friends and family happy. To be considered for this scholarship please tell us in 500 words or less about a time when you went out of your way to help someone else, expecting nothing in return.**

**Please complete the information sheet and return to FC Sarasota along with your essay.**
